## Developmental Information

### ADMISSION REQUIREMENTS:

*At MMS, we strive for balance in our classrooms. Ideally, our classroom communities reflect equitable representation for all students regarding race, color, national or ethnic origin, sex, and/or special needs.*

Generally, a child is first eligible to enroll in MMS programming beginning at 18 months of age, at which time they will be considered for admission to our Toddler Camp Community. MMS will not explicitly rule out the enrollment of a child between 14 and 18 months of age. In general, the child must:

- Be able to independently and reliably walk for a length of time outlined by the staff member(s) leading the child's assessment. If the child is differently abled and meets the classroom's age requirement, the child will be assessed accordingly.
- Be able to independently and reliably hold an approved object for a length of time outlined by the staff member(s) leading the child's assessment. If the child is differently abled and meets the classroom's age requirement, the child will be assessed accordingly.

### **ONLY TODDLER (18-36mos) and PRIMARY (3-5yrs) APPLICANTS:**

Is your child nursing? If so, how often, and when do you expect to wean?

---

Is your child toilet-trained? If not, have you started the process? (Please give a detailed description of your toileting method at home):
