Developmental Information

ADMISSION REQUIREMENTS:

Our guiding enrollment philosophy relies on a number of factors. We strive for balance in our classrooms.

Approval for student enrollment is ultimately at the discretion of MMS.

Generally, a child is first eligible to enroll in MMS programming beginning around 16 months of age, at which time they will be considered for admission to our Toddler Classroom Community. All children approved to apply for enrollment in our Toddler classroom must attend a Meet and Greet with their child's Lead Guide.

MMS will not explicitly rule out the enrollment of a child 14 months or older. A guardian seeking to apply to MMS for enrollment of a child younger than 16 months of age must arrange a meeting with the Toddler Lead Guide and/or MMS Director, who will assess the child's relevant capabilities before their anticipated start date. In general, the child must:

- Be able to independently and reliably walk for a length of time outlined by the staff member(s) leading the child's assessment. If the child is differently abled and meets the classroom's age requirement, the child will be assessed accordingly.
- Be able to independently and reliably hold an approved object for a length of time outlined by the staff member(s) leading the child's assessment. If the child is differently abled and meets the classroom's age requirement, the child will be assessed accordingly.

ALL APPLICANTS:

Please describe your child's daily schedule and routines (e.g. waking up, mealtimes, naptimes, activities, bedtime etc.):

TODDLER (16-36 mos) AND PRIMARY (2.5-6 yrs) APPLICANTS:

Is your child nursing? If so, how often, and when do you expect to wean?

Is your child toilet-trained? If not, have you started the process? PLEASE NOTE: A child must be working toward toileting independence to enter Primary. Please give a detailed description of your toileting method at home:

Does your child take a nap? If yes, how long/often?

***A \$50.00 application fee must accompany this application. The fee is non-refundable.
